What's the advantage of our products?

1. Portable and suitable for any kinds of bicycles.
2. Good quality with the best price.
3. Excellent stability whether use outdoor, in the garage, office or home.
4. Long lifespan for at least 10 years without man-made sabotage.
5. Good quality with the best price.
6. OEM & ODM welcomed!

Installation:

- | |
|---|
| 1. Racks are bolted to good quality concrete. |
| 2. Embedded racks can be embedded into concrete to a depth of 300mm. |
| 3. Racks should be spaced so that users can access their bikes easily, which is usually between 800mm and 1000mm apart. |
