9. Feature	Wall mounted
11.Production Capacity	20ft container is 30-45days(The package can be Customized.)
12.Weight	N.W: 1.75kg

Features of Wall Mount Bike Rack

- The Wall Vertical Bike Hanger rack is an individual wall-mounted bicycle rack.It is an innovative triangular bike rack that allows the user to hang the bike vertically in a space efficient design with excellent bike support.
- This well-designed wall mounted rack holds the bicycle securely in place. It can be installed where

space is at a premium or where it is impossible to mount a rack to the ground.

- The bicycle can be stored vertically or horizontally, depending on the height the rack is installed at. This results in neat and organised individual parking.

FAQ:

1.Can you print our logo on the products?

-Yes, of course. Just give us your logo image and tell us your requirements, your logo will be perfectly shown on it.

2.Can we make our own design on the packaging?

-Sure, most of our clients are using their self-designed packaging.

3.If we can make some change to your products?

-Customization is welcomed! We are glad to assist you in making the products better and we will protect your design.

4.What's your lead time?

-Normally 7 working days for sample, 30 working days for mass production.
