CHARACTERISTICS

Easy access, it can provide a safe and convenient space for employees to leave their bicycles during the working day.

Ideal for schools, shopping centres, sidewalks or warehouses.

Not only does it prevent theft, but it also protects against vandalism and the elements.

It is shaped like a rectangular box, while some may be shaped like a triangle where the bicycle handlebars face the widest side of the container.

As a long-term and highly secure form of bike storage, lockable aluminum bike storage is the best way to store one or two bikes per unit.

Simply installed, no assembly required.

The fixed hook allows you to hang and drop the bike in a second.

Space saving, great for shed corner and garage storage.

Good quantity with best price.

COMMON QUESTIONS:

1.Can you print our logo on the products?

-Yes of course. Just give us your logo image and tell us your requirements, your logo will be perfectly displayed on it.

2. Can we make our own design on the packaging?

-Of course, most of our customers are using their own packaging.

3. If we can make any changes to your products?

-Customization is welcome! We are pleased to help you improve products and we will protect your design.

4.What is your delivery time?

-Normally 7 working days for sample, 30 working days for mass production.
