

Description

Bike work stand is a tool designed to hold a bicycle securely in place while you perform maintenance or repairs. It provides a stable platform that elevates the bike off the ground, making it easier to work on different components without straining your back or constantly bending over.

FAQ

1.Can you print our logo on the products?

- Yes, of course. Just give us your logo image and tell us your requirements, your logo will be perfectly shown on it.

2.Can we make our own design on the packaging?

- Sure, most of our clients are using their self-designed packaging.

3.If we can make some change to your products?

- Customization is welcomed! We are glad to assist you in making the products better and we will protect your design.

4.What's your lead time?

- Normally 7 working days for sample, 30 working days for mass production.
